## So Much Is Happening!

LAGPA is very active these days. I'll just give a summary here. You are always welcome to contact me for copies of board minutes where these issues are discussed in detail.

Board elections were held and the slate was elected unanimously. Welcome all. There is still space for more people on the board. Just let us know and your application will be considered by the board. Come and join in with the fun.

As you can see in the adjacent financial report that LAGPA is doing extremely well. I have made it my personal goal to double our income within the next two years. There are many worthwhile projects we could engage with greater income.

It's that time again for our Winter Social (see page 4 for details and map). It is a joint event with SCLMA. Last year we had almost 80 people in attendance. This year it will be catered by our favorite caterer Eddie Morgado. He always puts on a tasteful

treat. Be sure to RSVP. See you there.

We have had difficulty scheduling educational forums this fall, but we are working with Dr. Lawrence Hedges toward putting on a 6-hour Law and Ethics for Clinicians class in late February or March. Since this topic is required for many certifications, it should be well attended. Keep your eyes peeled for the announcement.

For years LAGPA has had advertising in the *Community Yellow Pages* to help drive potential clients to the online directory and to your practices. This year we have expanded our advertising to the two LGBT yellow pages in the hopes of driving even more clients to our members.

In early January, we will begin planning for the Annual Conference. We have already secured Antioch University as the sponsor for hosting the event in May 2008. We hope to hold the event at USC in 2009. Our goal is to maintain a closer tie with the mental health educational institutions.

We have decided to make the Community Service Awards a bi-annual event instead of annual. We think that will help keep it special.

We need volunteers for newsletter editor, newsletter ad sales, and more. Now is the time to show your support and give back to the community.

## Annual Financial Report

The fiscal year for LAGPA is from October 1 to September 30. This past year, for the first time, we have surpassed \$25,000 in gross income. That is an important milestone as we will now be required to file annual reports with the IRS. For all nonprofit organizations, it adds to legitimacy to reach this level of support. Thank you all. The financial records of LAGPA are public records reported in board minutes. We decided it was important to give you a summary of our 2006/2007 fiscal year. As you can see, the Annual Conference and Memberships are our two largest sources of income. The Annual Conference, however, is expensive to put on and experiences a net loss. ▼

## Congratulations to our New Board Members

Liliane Quon-McCain, MFT, *Co-Chair*

is a licensed Marriage and Family Therapist currently in private practice. Prior to this, she provided volunteer therapy at the Pacific Center of AIDS Project Los Angeles and retired as a counselor after 28 years being employed in Beverly Hills Unified School District. Liliane is currently completing her dissertation, "A Phenomenological Study of Self-Identified Heterosexual Men who are Now Living in an Openly Gay Relationship." Liliane has been on the LAGPA board for two years and is currently Co-President.

serving a wide variety of clients. He is trained in the assessment and treatment of juvenile sex offenders. He is a core faculty member in the Art Therapy program at Phillips Graduate Institute and a guest lecturer for the Child Development Center at Antelope Valley College. Sanie is the editor of LAGPA's newsletter, Progress Notes, and this will be his second term on the LAGPA Board of Directors.

Scott Musgrove, MFTI, PysD (pending), holds a Masters Degree in Clinical Psychology from Antioch University Los Angeles and currently pursues his doctoral work at Antioch University Santa Barbara. He offers therapy services as a Marriage and Family Therapy Intern under the supervision of Alan Valdes, MFT in Beverly Hills, California. Scott trained at the Southern California Counseling Center, working with families and individuals, and Verdugo Mental Health, providing case management and group therapy for the chronically mentally ill. Currently Scott works as a supervisor for teenager peer counselors at the Center for Study of Young Peoples "TEENLINE," a nationwide confidential and anonymous telephone num-

ber that provides peer professional help with concerns of violence, alcohol, drug and/or sexual abuse, depression, and many other teen risk issues. Prior to his entrance into the world of mental health services, Scott Musgrove's career in the Los Angeles entertainment scene encompassed many areas of the industry. After a decade long career as a performer and independent producer of live industrials, Scott began working in the television talent division of the William Morris Agency. His search for a more creative outlet in the industry led him to the area of episodic television casting, and then to the post-production world of feature film DVD content.

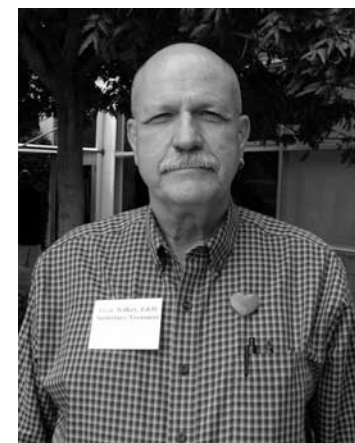

Robbert Schalekamp, MFT, PsyD, is working as a psychotherapist in the Clinical Counseling Center in Sherman Oaks with a variety of clients. He is also the assistant clinical director of the counseling department of the Hollywood Sunset Free Clinic in Silverlake, where he did his internship prior to being licensed as an MFT in 2001. He received his PsyD in 2005 from the California Graduate Institute. He is from Holland and has lived in the USA since 1994. He lives in Santa Monica with his partner Jay.

Travis Stobbe, BFA, is a native of the San Fernando Valley and graduate of California Institute of the Arts (1999). His current career is real estate management. His real love is motion picture art. He has been involved with PFLAG, Toast Masters International, and various classic car clubs. Travis is a big supporter of LAGPA because of the important work the members perform for the LGBT community.

Sanie Andres, M.A., M.F.T., A.T.R., *Co-President* is a licensed Marriage and Family Therapist and Registered Art Therapist. He is in private practice in Lancaster

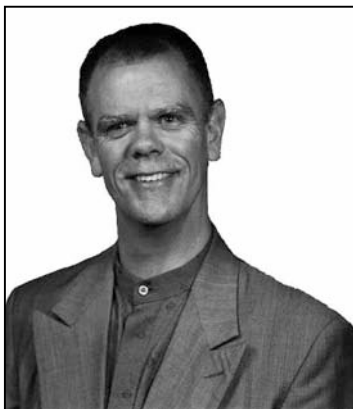

Fred Wilkey, Ed.D., *Secretary/Treasurer* is a licensed clinical psychologist. He has a solo private practice doing cognitive behavioral psychotherapy in West Hollywood. Fred has been counseling as a licensed practitioner for over thirty years and has been on the LAGPA board for two years and is currently Secretary/Treasurer.

Jason Wittman, MPS has had a private practice as a Life Coach since the middle 1980s. He has both a B.S. Degree in Business Management and a Master of Professional Studies in Counseling Psychology from Cornell University in Ithaca, New York. He is also a Certified Hypnotherapist and a Certified Practitioner of Neuro Linguistic Programming. In 1971, he founded Alpha House, a residential therapeutic community for drug addicts and alcoholics in Ithaca, N.Y. and was its Executive Director for four years. Over the years, he has designed and run programs that have effectively worked with youth and young adults of many backgrounds, such as middle and upper class white kids in Ithaca, N.Y., male street hustlers and gay and Lesbian youth in Phoenix, AZ., and Mexican-American kids, in Phoenix, AZ. Since 1995, he has been the Executive Director of The Youth Rescue Fund and its parent organization, Los Angeles Youth Supportive Services, Inc. which works with street prostitutes in Hollywood, CA, and with high-risk kids from all over LA County, CA, who congregate in Hollywood and West Hollywood. Currently, he is in private practice as a Mentor Coach specializing in coaching parents of teenagers and young adults.

Chuck Stewart, Ph.D.  
*Executive Director*  
Chuck received his Ph.D. from the University of Southern California. Since that time, he has written and published fourteen academic books and manuals including: *Homosexuality and the Law* (ABC-CLIO Publications), *Gay and Lesbian Issues* (ABC-CLIO Publications), *Sexually Stigmatized Communities* (a harassment reduction teaching program published by SAGE Publications), three queer crossword puzzle books, two environmental textbooks on the hazards of lead and mold in residential real estate, and a number of screenplays. He has been re-

sponsible for researching and writing a number of teaching curricula and textbooks, mostly for the Los Angeles Police Department. He currently works as an on-line instructor for Phoenix University besides writing for ABC-CLIO and holding the position of Executive Director to LAGPA and Administrative Assistant to SCLMA. He is currently the editor for Greenwood Publishing on a 3-volume encyclopedia on

LGBT culture and politics around the world. He volunteers as the co-chair for the Los Angeles Gay and Lesbian Scientists and is the director of the world's only gay ballroom dance troupe *Out Dancing Ballroom*. At one time he worked as a research physicist, automobile designer and manufacturer, and a classical ballet dancer (yes, he knows, it is very confusing but it makes sense to him). ▼

## About LAGPA

The Lesbian and Gay Psychotherapy Association of Southern California, Inc. (LAGPA), was established in 1992 as an organization of mental health professionals interested in gay, lesbian, bisexual and transgender clients.

Members of LAGPA are actively involved in expanding the role of psychologists, psychiatrists, social workers, and marriage and family therapists who serve the greater gay community of Southern California. While LAGPA is

oriented towards mental health professionals, individuals who desire to join LAGPA are not required to be a licensed psychotherapist. ▼

### POLICY FOR MAILING LISTS AND FLYERS

LAGPA does not sell or give out its mailing list (in any form) to any person, group or organization. If you would like to send a mailing to the membership you must provide enough copies of the item to be sent folded, stamped and ready to mail. LAGPA will run address labels and place them on the item to be mailed at a board meeting. Therefore, your materials must be received by LAGPA no later than one week prior to the next board meeting as indicated on the web site or in the newsletter, for them to be mailed in a timely fashion. If you want to do a separate mailing you must give us 10 open envelopes with the material you are mailing so we may review it. Rates for this type of service are: members \$125.00 per mailing; non-members \$175.00 per mailing. We strongly suggest you place an ad in the P.N. rather than creating a separate mailing.

As the LAGPA Board is all volunteer, and responsible for creating, collating, folding, labeling, stamping and mailing all newsletters and other correspondence throughout the year, we cannot accommodate the insertion of stand alone flyers into the newsletter or conference materials. Unless, or until, there is a full complement of board members and volunteers to assist on various committees, all flyers must appear as ads in the newsletter and/or conference brochure. Member and non-member rates are listed in the P.N. and on the web site at [www.LAGPA.org](http://www.LAGPA.org). Members may bring flyers to LAGPA events and place them on tables where participants can pick them up.

The Board reserves the right to refuse to mail, include in the newsletter or display any material it deems inappropriate or offensive to its membership, or in direct conflict/opposition to the purpose/ mission statement of the organization. To engage in any of the above or for more information please contact our administrative assistant, Chuck Stewart. The purpose of a newsletter is to provide specialized information to a targeted audience. Newsletters can be a great way to market your product or service, and also to create credibility and build your organization's identity among peers, members, employees, or vendors.

First, determine the audience of the newsletter. This could be anyone who might benefit from the information it contains, for example, employees or people interested in purchasing a product or requesting your service. You can compile a mailing list from business reply cards, customer information sheets, business cards collected at trade shows, or membership lists. You might consider purchasing a mailing list from a company.

Next, establish how much time and money you can spend on your newsletter. These factors will help determine how frequently you publish your newsletter and its length. You should publish your newsletter at least quarterly so that it's considered a consistent source of information. Your customers or employees will look forward to its arrival. ▼
