## Executive Director Report

Membership numbers are up and reflect the increase in participation by students from PGI and Antioch. Thank you all for renewing your memberships. If you have not renewed your membership, please do so soon. The only way you can continue listing your services on our on-line directory is to be a current member.

Since our smashingly successful Annual Conference at Antioch University Los Angeles, we have held our Summer Social and the Del Martin Memorial Women's Educational Series. The Summer Social was held at the beautiful home of Liliane Quon McCain in Beverly Hills. About 90 people attended. This was a joint event with SCLMA and catered by Eddie Morgado. For those who have not tried Eddie's cooking, you are missing a big treat. He's the best caterer I've ever used and he constantly comes up with new and exciting dishes. Please see his ad in this newsletter

and schedule him for your next event.

The Del Martin Memorial Women's Educational Series was well received. The presenters—Fredda Wasserman, Linda Landon, Patti Britton, and Jean M. Campbell—were topical and gave interesting and informative workshops. During lunch, we had the dynamic trio of comedians—Mary Kennedy, Stephanie Blum, and Laurie McDermott—give excerpts from their hilarious stand up comic routine "Mom's Night Out." Thank you all for your donation of your time and talents. I want to thank Bruce Watkins and Rosana Santos for running with this idea and making it happen. Also, thanks to all the board members who volunteered.

LAGPA is functioning very well right now. Since I was

appointed Executive Director two years ago, events and money are flowing smoothly. However, we have learned that LAGPA is not large enough to hire out every aspect of its functions. Therefore, we need volunteers. For example, the Women's Educational Series was an idea I pitched with the board for a while. Eventually, Bruce and Rosanna stepped forward to volunteer. I then assisted them with the connections and follow-through to make this happen. Alexander Yoo has stepped forward to be the editor and layout artist for the newsletter. He is saving the organization about \$3,000 a year. Thank you, Alexander.

The Annual Conference is usually held in June. We have begun the preliminary steps for making this happen

at Pacific Oaks. It is imperative that this event make money. We are looking for someone(s) to aggressively seek sponsors and advertisers for the event. I have leads to many potential sponsors/advertisers, but is there someone who is willing to take this by the horn? I assume this year will be a bit harder to raise money due to the crumbling economy. Please contact Chuck if you are interested in taking on this responsibility. Also, we need someone to take over the MECP application process. I will train. It is not difficult, just tedious. Again, see Chuck.

Thank you all. See you at our next event.

## NEW and RETURNING MEMBERS

We want to welcome the new and returning members to LAGPA who have signed up since the last issue of the *Progress Notes*. Thank you for your support!

## Annual Financial Report

The fiscal year for LAGPA is from October 1 to September 30. The financial records of LAGPA are public records reported in board minutes. We decided it was important to give you a summary of our 2007/2008 fiscal year. As you can see, the Annual Conference and Memberships are our two largest sources of income. The Annual Conference, however, is expensive to put on and experiences a net loss. The Educational Forum conducted by Larry Hedges raised almost \$2,000 net profit for LAGPA. Thank you Larry. This helped offset the losses experienced with the Del Martin Memorial

Women's Educational Series conducted this month. We felt it was important to host an event with a women's emphasis regardless if it sustained a loss. Both the newsletter and social events lose money but are benefits related to being paid members. LAGPA needs to increase the number of paid sponsors to the Annual Conference, increase the number of paid ads to the newsletter, and reduce the expenses related to the newsletter. We are always looking for volunteers to help make LAGPA successful. ▼

## Board Applications

Please take a moment to read these bios of our applicants. Ballots via fax/email coming SOON.

**Dino Koutsolioutsos, MFT**

I am a gay refugee from Athens, Greece and have made Los Angeles my home since 1973. I hold a Diploma in Civil Engineering from Zurich, Switzerland and a MA in Counseling Psychology from Loyola Marymount University in Los Angeles. I am a licensed MFT since 1987. 1979 – 1985: I volunteered at the Gay and Lesbian Center as MFT Intern, Rap Group Facilitator, and facilitator of sensitivity training workshops on LGBT issues. 1981 – 1986: I worked full time in acute psychiatric crisis stabilization. 1997 – 1996: I worked as a full time therapist at AIDS Project Los Angeles, where I also developed, supervised and coordinated the first HIV/AIDS clinical training program for MFT, MSW and PsyD trainees and interns. Since 1997, I am Core Faculty and Coordinator of Clinical Training in the MFT Department of Pacific Oaks College in Pasadena. I would be honored to serve on the Board of LAGPA.

**Liliane Quon-McCain, MFT**, is a licensed Marriage and Family Therapist currently in private practice. Prior to this, she provided volunteer therapy at the Pacific Center of AIDS Project Los Angeles and retired as a counselor after 28 years being employed in Beverly Hills Unified School District. Liliane is currently completing her dissertation, "A Phenomenological Study of Self-Identified Heterosexual Men who are Now Living in an

Openly Gay Relationship." Liliane has been on the LAGPA board for three years and is currently Co-President.

**Robbert Schalekamp, MFT, PsyD**, is working as a psychotherapist in the Clinical Counseling Center in Sherman Oaks with a variety of clients. He is also the assistant clinical director of the counseling department of the Hollywood Sunset Free Clinic in Silverlake, where he did his internship prior to being licensed as an MFT in 2001. He received his PsyD in 2005 from the California Graduate Institute. He is from Holland and has lived in the USA since 1994. He lives in Santa Monica with his partner Jay. Robbert has served on the LAGPA board for one year and is currently Co-President.

**Chuck Stewart, Ph.D.**, received his Ph.D. from the University of Southern California. Since that time, he has written and published fourteen academic books and manuals including: *Homosexuality and the Law* (ABC-CLIO Publications), *Gay and Lesbian Issues* (ABC-CLIO Publications), *Sexually Stigmatized Communities* (a harassment reduction teaching program published by SAGE Publications), three queer crossword puzzle books, two environmental textbooks on the hazards of lead and mold in residential real estate, and a number of screenplays. He has been responsible for researching and writing a number of teaching curricula and textbooks, mostly for the Los

les Police Department. He currently works as an on-line instructor for Phoenix University besides writing for ABC-CLIO and holding the position of Executive Director to LAGPA and Administrative Assistant to SCLMA. He is currently the editor for Greenwood Publishing on a 3-volume encyclopedia on LGBT culture and politics around the world. He volunteers as the co-chair for the Los Angeles Gay and Lesbian Scientists and is the director of the world's only gay ballroom dance troupe *Out Dancing Ballroom*. At one time he worked as a research physicist, automobile designer and manufacturer, and a classical ballet dancer (yes, he knows, it is very confusing but it makes sense to him). Chuck has faithfully served as LAGPA Executive Director for countless years.

**Travis Stobbe, BFA**, is a native of the San Fernando Valley and graduate of California Institute of the Arts (1999). His current career is real estate management. His real love is motion picture art. He has been involved with PFLAG, Toast Masters International, and various classic car clubs. Travis is a big supporter of LAGPA because of the important work the members perform for the LGBT community. He is currently serving as one of LAGPA's board members, always eager to serve.

**Bruce R. Watkins, Ph.D.** was born and raised in central Los Angeles. He was reared a Roman Catholic, with 16 years of Catholic education - eight of which were by Jesuit priests at Loyola High and Loyola University, Los Angeles. He received his B.A. degree in his major, psy-

chology, with three full minors in theology, philosophy, and foreign languages.

He was a Public Health Service Fellow at the University of Oregon, where he received his Ph.D. in clinical psychology in June, 1972. He was a National Institute of Mental Health Fellow both at his predoctoral internship at the Neuropsychiatric Institute at UCLA and at his postdoctoral internship at Thelians, Cedars-Sinai Medical Center, Los Angeles.

He has been: an Assistant Professor at UCLA, Department of Psychiatry and Biobehavioral Sciences; a clinical instructor at the California School of Professional Psychology, LA and Ryokan College, LA; and a clinical supervisor at the Center for Legal Psychiatry, Santa Monica.

He established his private practice in Westwood in 1972, where he sees mostly high functioning adults with relationship problems. Psychotherapists apprentice to him and his three partners to learn his unique method of psychotherapy, which he calls, Person-Centered Psychoanalysis.

Bruce has always been gay. In his young adulthood, he abandoned his natural relations with men and married a woman. After eight years, the marriage ended in divorce. He met his present mate, Dan Garay (a now retired elementary school teacher) 30 years ago. They are in a monogamous Christian Covenant relationship. They live in Burbank, CA and attend St. Matthew's Lutheran Church.

More recently, Bruce spends his free time writing fiction. He is working on a series of novels, entitled *Coming Out in the 60's*. His characters are Catholic high school and college boys, who are struggling with being gay and Christian.

**Fred Wilkey, Ed.D.** is a licensed clinical psychologist. He has a solo private practice doing cognitive behavioral psychotherapy in

Since 1995, he has been the Executive Director of The Youth Rescue Fund and its parent organization, Los Angeles Youth Supportive Services, Inc. which works with street prostitutes in Hollywood, CA, and with high-risk kids from all over LA County, CA, who congregate in Hollywood and West Hollywood. ## About LAGPA

The Lesbian and Gay Psychotherapy Association of Southern California, Inc. (LAGPA), was established in 1992 as an organization of mental health professionals interested in gay, lesbian, bisexual and transgender clients.

Members of LAGPA are actively involved in expanding the role of psychologists, psychiatrists, social workers, and marriage and family therapists who serve the greater gay community of Southern California. While LAGPA is

oriented towards mental health professionals, individuals who desire to join LAGPA are not required to be a licensed psychotherapist. ▼

### POLICY FOR MAILING LISTS AND FLYERS

LAGPA does not sell or give out its mailing list (in any form) to any person, group or organization. If you would like to send a mailing to the membership you must provide enough copies of the item to be sent folded, stamped and ready to mail. LAGPA will run address labels and place them on the item to be mailed at a board meeting. Therefore, your materials must be received by LAGPA no later than one week prior to the next board meeting as indicated on the web site or in the newsletter, for them to be mailed in a timely fashion. If you want to do a separate mailing you must give us 10 open envelopes with the material you are mailing so we may review it. Rates for this type of service are: members \$125.00 per mailing; non-members \$175.00 per mailing. We strongly suggest you place an ad in the P.N. rather than creating a separate mailing.

As the LAGPA Board is all volunteer, and responsible for creating, collating, folding, labeling, stamping and mailing all newsletters and other correspondence throughout the year, we cannot accommodate the insertion of stand alone flyers into the newsletter or conference materials. Unless, or until, there is a full complement of board members and volunteers to assist on various committees, all flyers must appear as ads in the newsletter and/or conference brochure. Member and non-member rates are listed in the P.N. and on the web site at [www.LAGPA.org](http://www.LAGPA.org). Members may bring flyers to LAGPA events and place them on tables where participants can pick them up.

The Board reserves the right to refuse to mail, include in the newsletter or display any material it deems inappropriate or offensive to its membership, or in direct conflict/opposition to the purpose/ mission statement of the organization. To engage in any of the above or for more information please contact our administrative assistant, Chuck Stewart. The purpose of a newsletter is to provide specialized information to a targeted audience. Newsletters can be a great way to market your product or service, and also to create credibility and build your organization's identity among peers, members, employees, or vendors.

First, determine the audience of the newsletter. This could be anyone who might benefit from the information it contains, for example, employees or people interested in purchasing a product or requesting your service. You can compile a mailing list from business reply cards, customer information sheets, and business cards collected at trade shows, or membership lists. You might consider purchasing a mailing list from a company.

Next, establish how much time and money you can spend on your newsletter. These factors will help determine how frequently you publish your newsletter and its length. You should publish your newsletter at least quarterly so that it's considered a consistent source of information. Your customers or employees will look forward to its arrival. ▼
